

KNIGHTS LETTER

INTERNATIONAL DAY OF THE UNBORN

Traditionally the Knights of Columbus has observed March 25 as the day to stand up for those who can't stand up for themselves. Since that's Good Friday this year, the observance date will be April 4.

This will be a day of special prayer by Knights worldwide. As Catholics we believe that life begins at conception and that the soul lives and breathes within the body. It's a tragedy that our culture has allowed abortion, contraception, human cloning, in-vitro fertilization, embryonic stem cell research and even euthanasia.

Let's try to become as Pope John Paul II has said, "a people of life and a people for life."

St. Joseph, Pray for us!

Message From The Chaplain

Father Kurwicki

March 19 is the Solemnity of Saint Joseph, - Patron Saint of our Cathedral, parish and school.

St. Joseph was the man closest to Christ on this earth as he protected Jesus both as an infant and child. He is still even greater in heaven and will intercede to his foster Son as we call upon his saintly assistance. "Go to Joseph" are the watchwords of the saints.

Let us as Knights ask this special and holy man to give us honest work in this life, mercy and a happy death.

Now on to Easter!

With a Blessing, Fr. Kurwicki

April is the annual K of C membership recruitment drive. It's a good time to encourage other men of the parish to join. Why not invite at least one person you know to come to a meeting. Special materials are available from the www.kofc.org.
