

Brownfield Tradition

All the NAMA partiers have been a real close family
But lately, some of my friends just can't stay up as late as me
I guess it's because we have a 25 year connection
Lord, tonight let's just all celebrate our Brownfield tradition

They get on me and want to know
John, why do you we drink? Why can't we roll smoke?
Why must we live out the contracts we wrote?
Over and over, everybody makes our predictions
So if we have fun, we're just carrying on an old Brownfield tradition

I am very proud of the Brownfield name
And for twenty five years we must say we are glad you came.
Stop and think it over, put yourself in my position
If we get drunk and sing all night long, it's a Brownfield tradition

They get on me and want to know
Breck, why do you we drink? Why can't we roll smoke?
Why must we live out the contracts we wrote?
Over and over, everybody makes our predictions
So if we have fun, we're just carrying on an old Brownfield tradition

Lord, I have loved some ladies -- Anita loved Jim Beam
And they both tried to kill me in 1993
When Cyndi asked me, "Tom, how did you get in this condition?"
I just said, "Hey, I'm just carrying out an ol' Brownfield tradition"

So don't ask me
Laurie, why do you we drink? Why can't we roll smoke?
Why must we live out the contracts we wrote?
Over and over, everybody makes our predictions
So if we have fun, we're just carrying on an old Brownfield tradition
